A Fraudulent Ticket!

At half past twelve this morning a
Greeley fraudulent ticket was placed in
our hands, which is printed as nearly
like the Republican ticket as the resources
of the Greeley printing office could sup-
ply, and which while headed with the
names of GRANT and WILSON has on it
the names of the GREELEY and BROWN
electors, viz: SPRIGO, JOHNSON, WM. P.
HUBBARD, LUCAS and SEHON. All such
tickets if voted count for GREELEY.

RETURNED--Mr. W. E. Hagans reached
his home in this city last evening, after an
absence of six weeks, in which period he
"did" up Yosemite, the Big Trees, and
California generally.

ADMITTED TO CITIZENSHIP--Hiram
Wood, a native of England; Fidel Reister,
of Wurtemberg; Henry Smith, of Hesse
Darmstadt; and Henry Frederick Rorer, of
Hanover, were admitted to citizenship,
yesterday, in the Circuit Court.

HELD TO BAIL--Marcel Gutman was
brought before Judge Johnston, yester-
day, to answer charge of assault and bat-
tery preferred against him by John G.
Gillespie. The accused was held to bail
in one hundred dollars for his appearance
at the next term of the Circuit Court.

REPUBLICANS! see that the names of
STEVENS, SWANN, SCOTT, CARBONADON
and FRER are on your tickets. All
others, purporting to be Republican are
fraudulent.

IN THE CITY--Ed. Weisgraber, formerly
in the Baltimore & Ohio shops here,
but now in the service of the Connellsville
road in the city. He is looking remark-
ably well, and reports Capt. Harrison as
bringing order out of confusion in the
working of that road.

SEND IN THE RETURNS--We will es-
teem it a great favor if some friend at
each voting place in the city will send us
the returns this evening, as soon as the
result is ascertained. We desire to
have as full report from the entire city
and county as possible in to-morrow
morning's issue.

ARM BROKEN--A boy about twelve
years old, son of Mr. Morganstern, a resi-
dent in the Eighth Ward, broke his right
arm at the elbow, Sunday evening, while
engaged in the pleasurable pastime of
jumping over a fire plug. A surgeon was
summoned and the fracture properly re-
duced.

PERSONAL--We had a pleasant call,
last evening, by our jolly friend and old
time INTELLIGENCER type, Ed. Pearson.
Mr. P. has for a number of years filled a
position in one of the departments at
Washington, and has discharged its duties
faithfully and with great credit to him-
self. He is here visiting relatives and
will remain a few days.

REPUBLICANS! see that good and reli-
able men are at the polls to-day, and guard
well your tickets.

Look Out for Fraud!

Beware of Fraudulent Tickets. See
that the names of the Electors, STEVEN-
SON, SWANN, SCOTT, CARBONADON and
FRER are on your tickets.

THE STEAMER HUDSON--We met, yester-
day morning, our friend John B. Trimble,
who spent last week in Pittsburgh
getting the Hudson about. Mr. T. speaks
in the highest terms of the generous and
effective service received at the hands of
the Pittsburghers generally, and especially
from George H. Stover and Mr. J. H.
Rogers, who kindly loaned donkey pumps,
and Messrs. Sheriff & Laughery, for syphons
to be used in pumping out the Hudson.
Capt. John A. Woods, one of the
Coal Princes of that city, was unremit-
ting in his attentions, and greatly ad-
vised those engaged in the work by his
advice. Mr. Trimble remarked further, that
the sinking of the Hudson seemed to have
excited as much sympathy in Pittsburgh
as it did in our own city, almost every one
he met expressing regret that disaster had over-
taken her. Assistance of every kind
was freely offered. Such acts on the part
of those who are to some extent com-
petitors in business, show the better side
of humanity, and will have a good effect
in cultivating and cementing friend-
ly relations between the river men of the
two cities.

The Hudson was raised, as announced
in our columns, and will make her ap-
pearance at our wharf, perhaps, to-day
or to-morrow. Mr. Trimble informed us,
yesterday, that she was probably then re-
ceiving freight in that city. We know
our people will be gratified when she re-
sumes her place in the trade between this
city and Cincinnati.

CONVICT CAPTURED--Peter Wasse-
man, Jr., a convict who escaped from the
Penitentiary at Moundsville, at an early
hour yesterday morning, was captured last
evening, shortly after dark, at the house
of his father, Peter Wasseman, in South
Wheeling. Intelligence of the escape had
been sent to the city early in the day,
and as it was surmised Wasseman would
make his way through the hills to his
father's house, where he could effect a
change of garb, the police were on the
lookout for him. The conjecture was
correct, and shortly after dark Wasseman
slipped into town and entered his father's
house. The officers who had laid for him
were deputies Shanley, Shultz, Hal-
ler and Pearl. They surrounded the house,
two going to the front door and two to
the back door. Just as they got to the
latter door he stepped out, when the officers
grabbed him and presented a revolver at
his head, and he surrendered. He had not
been at home before more than three
quarters of an hour before he was in
custody again.

CIRCUIT COURT--There was not much
done in the Circuit Court, yesterday. We
don't know that the proximity of the elec-
tion had anything to do with the small
amount of business transacted, neverthe-
less but little was accomplished, except
the admissions to citizenship noticed else-
where, and the disposition of the follow-
ing cases: Brunel vs. Kemp--jury em-
paneled, cause fully heard, and verdict
rendered for the plaintiff, assessing his
damages at thirty-five dollars.

Mooney vs. Dunlap--jury waived and
case submitted to the Court--judgment in
favor of the plaintiff for sixty dollars.

Adjourned until Wednesday (to-mor-
row) morning at 9 o'clock.

CIGAR STORE ROBBERY--Sometime
Sunday night some rascal or rascals who
were evidently posted where good
"stogies" and "tips" can be had, broke
into Charley Balger's shop on Market
street and took therefrom, four or five
thousand of Charley's best brands of the
articles mentioned, together with a revol-
ver and about five dollars in change. An
entrance was effected by forcing open the
shutters of a rear window, and then
hoisting the sash. This is the second time
this way during the past month, but it
will be, perhaps, quite unhealthy if a
third visitation should be attempted. No
clue has yet been obtained to the parties
making these raids.

POLICE COURT--The docket of the po-
lice court yesterday morning was a very
light one for Monday, and "pamed out,"
but three dollars, even if all the fines
were paid, which it is scarcely probable
was the case. The following is an ab-
stract of the proceedings: Geo. Hotzclaw,
disorderly conduct, one dollar and costs;
William Smith, same, one dollar and costs;
Ransom Bagby, same, one dollar and costs;
John McCarrell, selling liquor on
Sunday, continued until this morning, on
account of the absence of witnesses.

An old lady bathing at Long Branch
by her spectacles on, but without her
wig, was recently taken for Horace Greeley
and drew a great crowd. But H. Frank,
proprietor of the Square Dealing
(and only strict) One Price Clothing
House, succeeds in drawing larger crowds
by offering such an attractive stock at
very, very low figures. He again
invites you all to call and see him and
those Japanese Paper Clothes--that will
bear both rain and washing.

GREATER INDUCEMENTS are offered to
purchasers of Sewing Machines to select
the Improved Grover & Baker in prefer-
ence to any other, since it has been prac-
tically demonstrated to possess more
points of excellence than any other before
the public. It is guaranteed to be more
durable, easier to learn and operate, and
to do a greater variety of work than any
of its competitors. Call at 93 Market
street, and examine carefully before mak-
ing selection.

HELD FOR FURTHER EXAMINATION--
Yesterday, William McManaway was ar-
rested and taken before Judge Johnston,
charged with attempting to violate the
person of a young woman named Kate
Paulstick. The testimony was partially
heard, and the 10th inst. fixed for hearing
what might then be submitted. The ac-
cused was required to give security in the
sum of three hundred dollars for his ap-
pearance on that day. He gave the bond
and was released from custody.
